

JPCPT

RAPIDE™

DIRECT ATTACH COPPER CABLES (DAC)

Bundling and Labeling Solutions

JPCPT's latest **Rapide™ DAC Cable Series** presents the cutting-edge high-speed copper Ethernet interconnect solutions for switches, servers, and storage in data center:

- Proprietary PCB termination for superior impedance and crosstalk control
- Eliminate crosstalk and source jitter, and ultra-low insertion loss
- 360° shielding for superior EMI/EMC performance
- High performance with validation on rich set of test data
- Patented latching mechanism for easy engagement and disengagement
- Small bend radius for high-density bundling
- Smallest die-cast back shell in the market for better space saving management
- Snag-proof pull tab and strain relief connectors reduce mechanical stress

JPCPT RAPIDE II™ SERIES

Direct Attach Copper (DAC)
(10G/25G/40G/100G/200G)

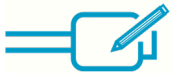

Innovative Production with Modular Automation

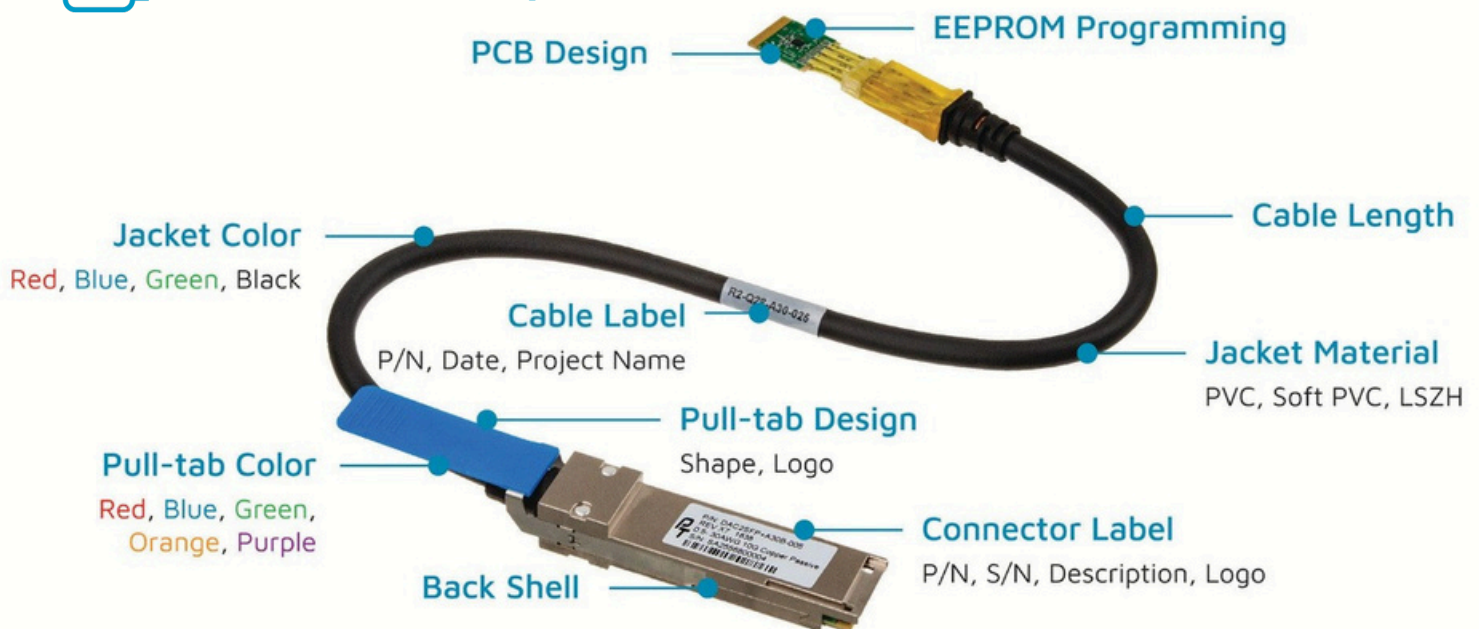

- **Quality:** High-performance with superior signal integrity, Efficient Design, Ultra Slim and Lightweight DAC
- **Consistency:** High precision process, High yield on First Pass, Low-Temperature soldering
- **Delivery:** High production throughput, accept compatible key components from different sources
- Availability of **Customization** options with neither premium pricing nor long lead time.

COMPETITIVE ADVANTAGES FOR NPI/OEM

- **Cost Savings**
- **High-Performance Consistency**
- **Short Lead Times (3+ weeks)**
- **Customizations**

100G QSFP28 DAC Cable

P/N: R2-Q28-AXX-LLL

40G QSFP+ DAC Cable

P/N: R2-Q-AXX-LLL

25G SFP28 DAC Cable

P/N: R2-S28-AXX-LLL

10G SFP+ DAC Cable

P/N: R2-S-AXXX-LLL

100G QSFP28 to 4x SFP28 Breakout DAC Cable

P/N: R2-Q28-4-AXX-LLL

40G QSFP+ to 4x SFP+ Breakout DAC Cable

P/N: R2-Q-4-XX-LLL

BUNDLING AND LABELING SOLUTIONS

We offer a complete set of professional, affordable services to help enhance cable management, speed up installation, reduce labor and material costs for bundling and labeling.

Differentiators

- **Professional quality** We offer a wide variety of labels including cloth labels, vinyl cables, and heat shrink tubing. Branded labels with skillful works to ensure quality
- **Volume and nimble projects** We accept projects in all volumes because of our smart workflow and high-performance printer applicators
- **Highly customizable options** For all cable, jacket, and bundle types: Colors, sizes, and materials
- **Flexible service options** We can simply design and print the labels, or we can also apply the labels to the cables provided by the customer

Customer Benefits

- Quick turnaround as short as within 1-2 business days
- Eliminate labor-intensive tasks of preparing, printing, and applying labels
- Reduce material waste
